Act. No. 4658, Bill No. 14-0539 of the 14TH Legislature of the Virgin Islands permits the duty-free importation into the Virgin Islands for temporary periods of certain film-making and other related professional equipment, material and supplies.

Section 1, Title 33. Virgin Islands Code, Chapter 12 (530) – EXEMPTION IN CERTAIN CASES.

Professional equipment, instruments, supplies and accessories entered for use in the processing or production of items or commodities design to transmit visual or visual and audio communication through the motion picture, television, print or other similar media are exempt under this section provided they are properly identified by registration number or other means of proper identification on the item.

If upon the expiration of the six (6) month period, the goods have not been exported under Custom and Border Protection (CBP) supervision or an extension has not been requested, duties will be due and payable to CBP.
