

st CROIX st JOHN st THOMAS

The **Beauty Shots** You Expect
With the Diversity of Locations You Don't

Choose From Three Main Islands

St. Croix, St. John and St. Thomas. Water Island, a fourth secluded inhabited cay is part of the St. Thomas - St. John district. And there are countless outer islands. Each island has its own character and unique locations. Scout within an hour by helicopter. Shoot a sunrise and a sunset in a single day.

Why leave America to film in the Caribbean? The USVI is the only location in the West Indies where the American flag is flown, the official language is English and everyone has the "right to work". Plus, no need for visas or passports for U.S. citizens. And what's more, the average temperature is 80°F (27°C). The water in winter, 77°F (25°C)!

These assets, plus a film-friendly community and government that are ready and willing to assist your shoot, make executing your project in the USVI easier.

Tax Incentives

There is no sales tax. Productions get special exemption from excise taxes, duty, bonds or carnets on importation of equipment and accessories.
